Why Go To Church?

A Churchgoer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday. "I've gone for 30 years now," he wrote, "and in that time I have heard something like 3,000 sermons. But for the life of me, I can't remember a single one of them. So, I think I'm wasting my time and the pastors are wasting theirs by giving sermons at all."

This started a real controversy in the "Letters to the Editor" column, much to the delight of the editor. It went on for weeks until someone wrote this clincher:

"I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this. They nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"

Remember that like our physical nourishment gives us strength to work so our spiritual nourishment prepares us to do God's work. Make sure you are putting to work the spiritual lessons we receive each week.

When you are DOWN to nothing... God is UP to something! Faith sees the invisible, believes the incredible and receives the impossible! Thank God for our physical AND our spiritual nourishment!

VBS at Glenn Street Church

VBS is our major evangelistic outreach event each year for the children of our church and community. In five days, we have the opportunity of introducing children to our church and caring adults and teens. **More important, we have the chance to introduce them to Christ and present the plan of Salvation.** Through music, crafts,

activities, Bible Stories, drama, and even snacks, we present and reinforce Biblical Truths. This year's theme "Power Lab" will help children discover the miraculous power of Jesus

In addition to the exciting events happening in children's lives during VBS, it is also an exciting week to be a teen or adult at Glenn Street. Staff suppers give you time to fellowship with other staff and you take a breather from your day, eat some good food, and get ready to plunge into the night's activities. We have positions for everyone. You can work directly with children or be in a supportive position. Be here every night or come when you can. We will work around your schedule.

Sunday, May 4th will be a staff organizational meeting following the 11:00 a.m. worship service. Over lunch, Valerie Mazza and Heather Brown, our VBS directors will give us an overview of this year's theme, explain job assignments, and answer questions. If you aren't sure if you want to help, come to the meeting to get more information. Come and get fired up about VBS. Find your spot—there is one waiting for you.

Ask anyone who helped in past years—You don't want to miss being part of the most exciting, exhausting, and rewarding week of the year at Glenn Street Church.
