## Acts 1:8 for May To benefit VBS

May's Acts 1:8 Offering to be taken today will be used to purchase VBS Music CD's for our kids. The lessons learned in VBS live on in children's minds everytime they listen and sing along with the VBS music. Help us make sure every family has their own copy of the music by giving to Acts 1:8 this month.

## **Attack on Marriage**

Although ballot results from November 2008 were encouraging in California, Florida, and Arizona, the attack on the biblical concept of marriage continues to grow. If you would like more information about what you can do in this battle, go to

[www.thetruthaboutmarriage.org](http://www.thetruthaboutmarriage.org).

## **A Note from Mexico**

We received a note from the Allen's this week. We had recently sent two boxes of blankets plus a check that was from VBS 2007.

Dear Friends at Glenn Street,

Once again, we thank you for involvement in Mexico missions by sending the packages.

Now we see that you have also sent a contribution to our Missionary Support account, and we thank you for that. Just when we are wondering how our needs will be met, God uses people like you to ensure that the work will go on.

Mother's Day service at our two churches were very special because we see people stepping into leadership roles. God has moved mightily in hearts and lives and now they are giving back in service to Him.

Thank you for your prayers for the people of Mexico City and for us. We counted so much on prayer to get our visas in April and we DID!

May God bless your church family.

Gary and Jann Allen

Mexico City

## Memorial Taps

The flag flutters in the morning breeze  
That carries the brassy notes from a single  
bugle  
Across silent hills and over uncovered heads  
A wreath adorns the unknown warrior in his  
final rest  
While countless others sleep nearby

This day these are honored with gun salutes  
And remembered with their families' tears  
But why were they taken from us at their prime?  
Did they not deserve the blessing of long life?  
Would they not wish to hold their children  
And see their daughters marry?

What did they purchase with their youth and their lives?  
A lonely cold sleep in neat rows?  
Or the playing of memorial Taps?  
NO! Their price was far too high  
They bought the future for their children and ours

O yes! And much more.  
For it was they who gave us free air to breathe  
And to others, lands where oppression is no more  
Because of them tyranny has not replaced common rule  
Nor has free will been fettered

Because of them despots and dictators tremble  
And whole nations have been set free  
Let us remember them now for what they have  
done  
Not what they might have been  
For surely their spirits soar now  
Into the sun with the eagle

And their country is grateful  
For it sent them into harm's way  
Andy they went, because it was their duty to go  
Now it is our duty to remember  
And to never forget

HIM, AND HE HEALED THEM THERE.**
