Updates On Our Persecuted Free Methodist Brothers & Sisters

New Attacks in India

David Yardy, Asia Area Director, called from India on Tuesday, November 4, to report that a Free Methodist pastor was recently beaten to death in front of his family because he would not renounce his faith. Also, five other Free Methodists were badly beaten and had to be taken to the hospital. The doctor's life was threatened if he treated their injuries, so they were refused treatment. These attacks took place in a state which neighbors Orissa State where Christians have been facing severe persecution. Please pray for the victims' families. Also pray for 300 refugees from Orissa who have fled to Hyderabad.

Haiti: On October 14, Jack and Jeanne Munos traveled to Gonaives to see what progress has been made in the hurricane relief effort. They report, "We were surprised to see that mud still 'ruled,' and we still had to drive through water and mud to get anywhere. We were surprised to see houses still under water." Jack and Jeanne met with Free Methodist pastors to encourage them. Each pastor told of ways God had brought help to their specific need. "But it is still a very discouraging time. These pastors are still struggling to get their homes cleaned, repaired and necessities back in them! Their churches and schools are in the same condition." Continue to pray for the many needs to be met.
